

**Nova Classical Academy
2017-2022 Strategic Vision and Priorities**

In five years, we will have developed, delivered and be recognized for...

- Financial strength and stability
- A welcoming, respectful, strong community with meaningful traditions
- A facility that fits our needs and allow us space to thrive.
- A rigorous educational experience to look back on with job.
- A strong college preparatory classical education that educates all students as lifelong learners.
- A classical education achievable for all students across all economic and cultural backgrounds.
- Retention and recruitment of staff and students.

Priorities

1. Articulate and develop a comprehensive five-year facility needs plan
2. Create a professional development plan that aligns with the classical curriculum and pedagogy.
3. Clearly and consistently align all decisions, programming and activities with Nova's mission.
4. A classical education that is accessible to all student ability levels.
5. Successfully engage students in stewardship and community in part by drawing upon the examples set by other top performing schools.
6. Promote and encourage a joyful learning community for all students, staff and families.
7. Develop a comprehensive staff retention plan.
