Sustainability Policy

The Beaverton School District will endeavor to conduct its operations and make decisions based upon the following sustainability priorities:

1. Protect students, staff and the community from environmental harm by striving to eliminate the use of toxic and harmful substances;
2. Teach sustainability concepts throughout the pre-K-12 district curriculum that include principles and practices of environmental, social and fiscal responsibility;
3. Adopt sustainability practices in district operations that balance environmental, social and fiscal responsibility, carefully consider lifecycle impact of district actions, and protect and enhance present and future quality of life.
