

2018-2019 Club Proposal

Club Name: BMS Cultural Club

Sponsor(s): Carolyn Zuback

Club Goals: I would like to start up a Cultural Club for BMS students. My goal is to teach the students to make ribbon skirts and the boys Ribbons shirts or vests, eventually the students will learn make a pair of moccasins for themselves. This will give the students a sense of responsibility and pride in their culture. They will learn how to measure and put material together, as well as color coordinate the material. The plan would be to fund raise, so we could raise money for the materials and buckskin that will be used for these projects. I feel if a student learns to do projects like this on their own would give them a sense of accomplishment. The proposed time would be Mondays, Tuesday and Thursday of the week from 4:00 - 5:00pm

Summary of proposed club activities: The students will start and finish projects. Clubs are a great place to meet new friends. Students will learn to cut, measure and stitch materials such as, buckskin, material, beadwork and learn the proper way of stitching and putting together a ribbon skirts, vests, moccasins etc.....
