

SHEILA V. CANTU

DIRECTOR OF PURCHASING & WAREHOUSE OPERATIONS

With an extended response proposal, evaluations and awards are granted to additional vendors on a rolling basis throughout the solicitation period. This period remains open year-round until the final renewal option expires. Responses are evaluated as they are received, and vendors are notified of the district's decision accordingly. Newly approved vendors will be included in the list of awarded vendors submitted to the Board during each annual renewal. This means that while vendors may be added throughout the year under the extended response process, their names and award details will be formally reported as part of the renewal documentation submitted for Board review and approval each year.

The district issued Competitive Sealed Proposal (CSP) #25-002 to secure qualified vendors for *Police And Security Equipment, Supplies, And Related Services – Extended Response*. This proposal supports the specific needs of the police and security department and may include items such as law enforcement and security equipment, safety and first aid supplies, uniforms, personal protective equipment, training materials, and other operational necessities. Nine (9) responses were received and opened by the Purchasing Department on Friday, April 18, 2025.

An evaluation committee comprised of representatives from various departments was convened to review and assess the proposals. Each response was evaluated based on the criteria outlined in the solicitation. Committee members scored each category individually, and the scores were compiled to determine an overall ranking for each vendor. Based on the evaluation results, the committee recommends awarding the following vendors:

- AED Professionals
- Avive Solutions Inc.
- BobTack LLC
- Dream Ranch Office Supplies
- G T Distributors, Inc.
- Joe Myers Ford Fleet & Commerce
- Oscars All Area Automotive
- Silencer Shop
- Tourbillon Enterprises LLC
