Re: Special Education Report

Date: August 21, 2012

The Special Education Board report will be a PowerPoint presentation focusing on the following topics:

- Review of the 2011-2012 school year accomplishments
- Where we are going as a department
- Things we need to watch
- Description of students placed from 2007-2012
- Eligibility of students for special education from 2007-2012
- Disabilities of students served
- Demographic information of special education staff for the 2012-2013 school year
