1. HAPPY SCHOOL BOARD APPRECIATION WEEK!! Thank you for all of your hard work and dedication to our school, our staff, and our students.
2. A huge THANK YOU to Lynk Downing and the office staff for stepping up while I was out sick. They all did an amazing job of picking up the slack and managing situations as they arose.
3. I have heard from several teachers that since we have been enforcing the cell phone policy in the classrooms more consistently that assignment completion has improved and classroom behaviors have gone down.
4. On February 8th our school hosted Emma Benoit and watched her documentary on her suicide attempt called My Ascension. This was a very powerful opportunity for students in grades 9-12. Thank you to Smiles for Jake, CRMC, and Anita Hollenhorst for making this opportunity possible!!
