On Friday, March 15, 2024 the U.S. Department of Education announced the new competition for the Magnet Schools Assistance Program grant for the 2024 school year. The department estimates that it will award 15 – 20 grants ranging from \$1.5 million - \$3.5 million annually for five years. School districts interested in applying must submit a letter of intent by April 28, 2024. At this time, we are recommending that all District elementary schools and Crenshaw be included in the grant. The application deadline is May 13, 2024. Galveston ISD has received three MSAP grants from the Department of Education to implement its magnet programs.
