#### Student Highlights:

The fourth graders at FCS were chosen to complete national testing last month. NAEP- National Association of Educational Progress, randomly selects grades and schools to partake in their national testing. The students all worked very hard on this assessment.

Titan Night In was held on Friday, March 22<sup>nd</sup>. There was a little different format this year, but it was a great time. This was a fundraiser to benefit the Eighth grade class.

Super Kid parties were held on April 3-5<sup>th</sup>. This month they had root beer floats.

#### What's New:

FCS as a whole school has taken on a fundraising project. We have a student Tristan Joseph who moved to Sheridan last summer. He is an 8<sup>th</sup> grade boy. He contracted meningitis at the age of 2. Several Oregon kids came down with it. He was lucky to have survived. He did lose both of his legs. This young man has brought so much to our school. When meeting with him, he expressed that he has never had a bike. We are fundraising the \$4,000 to buy him a handcycle, bicycle. We are having a change drive at our school, have a hat day planned for April 12<sup>th</sup> and our big fundraiser is a dinner and silent auction on May 17<sup>th</sup>. The students have really come together to help one of our own.
