### RECOMMENDATION:

It is recommended that the Kent ISD board approve the purchase of mat tables for Lincoln Developmental Center from Custer Office Environments in the amount of \$62,410.05.

<b>Bidder</b>	<b>Cost</b>
Platinum Transport	\$71,522.18
McKesson	\$61,139.18
RDB Enterprises	\$63,051.52
Custer Office Environments	\$62,410.05

### BACKGROUND:

Mat tables are used by staff at Lincoln Developmental Center to assist students with toiletry and changing needs. These new tables are adjusted electronically and will replace the older, manually-adjustable tables that are wearing out and difficult to use. We will utilize center program capital outlay funds for this purchase. We have chosen Custer Office Environments even though their bid was slightly higher than McKesson, as they are a Michigan-based company and can provide local support and service. We also received two additional bids that were noncompliant and were not able to be considered.
