

Extra Duty Stipend Recommendation Summary

February 11, 2019

I am recommending that the Board:

1. Implement the Extra Duty Stipend Schedule as outlined below.
2. Reduce the number of authorized assistant coaching positions that were added at the beginning of this school year by one position per sport.
3. Ensure that no extra duty stipend for authorized positions be less than the 2018-19 stipend for the 2019-2020 school year.
