

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois

Regular Meeting November 25, 2019

FOR DISCUSSION:

Subject: Architect Search Process

The attached description of the Request for Qualification process composed by Mr. Reiniche accurately details the steps that have been taken in the District to make a recommendation by the December 16 regular meeting of the Board of Education. My hope is that many of you had the opportunity to visit the finalists I identified in the *Thursday Letter* of November 14 while at the conference this pasty weekend.

The administration is prepared to answer any questions you may have in this process at this time.
