FOREST LAKE, MN 55025**

August 3, 2017

AGENDA ITEM: 9.6

TOPIC: Community Use of School Facilities Policy 701

BACKGROUND: This policy is one that has a direct impact on any school/community group that uses district facilities after the school day concludes. It has been reviewed and discussed at various times.

PROCESS: Corey McKinnon, director of community education, has researched policies from other districts. He brought together district staff with community members to discuss the policy and consider changes. The process has been ongoing since the fall of 2016.

Information was presented to the School Board on June 15 that detailed the process, as well as the recommended outcome.

RECOMMENDATION: Recommend approval
