

School Board Meeting:

April 22, 2019

Subject:

Bus Parking Lot Rehabilitation Project

Presenter:

**John Heltunen, Director
Buildings and Grounds**

SUGGESTED SCHOOL BOARD ACTION:

Accept Total Base Bid + Alternate 1, as submitted by Johnsonville LLC for \$260,411.52 to complete the addition to the bus garage parking lot.

DESCRIPTION:

Seven companies submitted bids to complete the project. The project adds parking and electrical hook-up for 24 buses. This will increase our bus parking total up to 70 buses and allow for all buses to be parked at the site. Current district bus count, for all district routes and activities is 67 buses.

The District worked with WSB engineering to complete the design for this project. Letter of Recommendation to accept the bid submitted by Johnsonville LLC is also enclosed.

If you have any questions about this project, please feel free to call me at 682-8773.
