

Minidoka County School District

Technology Department

April 15, 2019

Student Technology

- We have replaced a lab at East Minico.

Security/Video

- We have installed 11 new cameras at East Minico, 2 at West Minico, and replaced a camera at Mt. Harrison.

District Technology

- We have 225 computers to replace this year which is about half of the labs. We plan to do the other half next year. So far, we have completed 4 out of the 8 labs that we plan to replace this year.
- Our 2019-2020 eRate requests have been submitted and now we wait several months for approval.
- 45 of next year's new teacher laptops have been given to the staff this spring.

State Testing

- State testing has started at the schools.

Work Orders

- Work orders are combined with Maintenance. Since we had to import old tickets, we have closed a high number. We should be back on track for March.
