

Volunteer of the Month - Neah-Kah-Nie HS

Neah-Kah-Nie High School would like to recognize Randy Pierce as our Volunteer of the Month. Randy recently joined our community and quickly reached out to the school to inquire about how he could support our athletic programs. Randy jumped right in with helping running the chains at football games, braving the driving rain storms, all with a smile on his face. He has now become the “Voice of the Pirates” at our indoor sporting events. He has been announcing at Volleyball, Basketball, and Unified Basketball events this season, taking pride in trying to learn everyone's names (even though it took a while for Douma!) In the spring he plans on helping out with Baseball, and we can probably talk him into helping out at our Track meet as well! We appreciate Randy for his support of our programs!
