The Superintendent reserves the right to waive any fee associated with use of facilities for nonprofit organizations that are established and function solely for the benefit of currently enrolled BISD students. This use shall be limited to one time per sports season by each organization. In specific cases, such as organized league play in which a majority of the participants are currently enrolled BISD students, but that is separate and apart from the school's organized sports program, the Superintendent shall consider each request and determine the fees to be assessed.
