RE: End-of-Year Transfer Resolutions

DATE: May 22, 2018

Annually, the Board of Education approves resolutions to move monies from one fund to another in order to balance a fund(s) or provide interest dollars to the fund(s) of most need. In addition, a resolution is approved to transfer dollars from fund 10 to cover lease payments that must be paid from fund 30.

Attached are the two formal resolutions:

1. Transferring \$497,973.38 from the Education Fund to the Debt Service Fund for lease payments (usually computers and copiers).
2. The resolution to allow for the transfer of interest to the fund(s) of greatest need at a future time. Currently, the total interest is unknown for this fiscal year.

This will return to the Board for formal approval at the June 12, 2018 meeting.

June 12, 2018

The transfer amount is updated to reflect all the lease payments made through the end of the fiscal year.
