High School Girls

JV girls are 10-10 overall with a District record of 2-4.

Varsity girls are 6-17 with a District record of 2-5.

I am proud of the intensity the girls are playing with; we are still getting better with every practice and game.

Should be an interesting finish to the District race.

Coach David Tandy

High School Boys

Varsity basketball is 11-9 overall with a 6-1 district record. The first round of district wraps up on Friday, January 18th. Playoffs are very much in sight with the 4th place team already having 3 losses through the first round of district play. We are relatively healthy and look to finish strong when the second half of district starts back up on Tuesday the 22nd in Eldorado.

JV record is sitting at 9-9 and I couldn't be more proud of how hard all of the guys are working to get better.
