

104 SCHOOL DISTRICT MISSION STATEMENT

I. PURPOSE

The purpose of this policy is to establish a clear statement of the purpose for which the school district exists.

II. GENERAL STATEMENT OF POLICY

The school board believes that a mission statement should be adopted. The mission statement should be based on the beliefs and values of the community, should direct any change effort and should be the basis on which decisions are made. The school board, on behalf of and with extensive participation by the community, should develop a consensus among its members regarding the nature of the enterprise the school board governs, the purposes it serves, the constituencies it should consider, including student representation, and the results it intends to produce.

III. MISSION STATEMENT

Mission

The mission of the Long Prairie-Grey Eagle Public School District is to instill **Pride** in every individual within our community by fostering meaningful **Relationships**, demonstrating **Dedication** to lifelong learning, and **Elevating** all students by standing united in creating big opportunities.

Vision

In the next five years, we are committed to, will have developed, delivered, and be recognized for...

1. **Pride** in who we are and every person who is a part of Thunder Nation
2. **Relationships** that foster a safe and encouraging environment
3. **Dedication** to high-quality academics, developing well-rounded students, and bringing our community together to stand united
4. **Elevate** opportunities for every person, every day, through partnerships that create big opportunities.

IV. REVIEW

The school board will review the school district's mission every two years, especially when members of the board change. The school board will conduct a comprehensive review of the mission, including the beliefs and values of the community, every five to seven years.
