### **FNCA(LOCAL) Student Conduct: Dress Code**

According to TASB (Texas Association of School Boards) Board Policy “should reflect essential board governance statements, such as broad authorizations of programs and services, while Administrative Regulations “define how a policy is executed.”

The Policy revision of FNCA(LOCAL) seeks to broaden and define student dress (the “what”) while moving the details around ECISD’s dress code (“the how”) to Administrative Regulations and the annual Student Handbook.

Revisions to both FNCA(LOCAL) (as well as the proposed changes to Administrative Regulations) were proposed, discussed, and agreed to by a diverse committee made up of elementary, middle, and high school principals and assistant principals.
