

FV 2024-2025 Site Council Agenda

Date: April 3, 2025

Site Members: Kaci Zaklan, Krissy Cartwright, Megan Parker, Jessica Falkenhagen, Carly Hinkle, Michelle Prulhiere, Natalie Baertschiger, Hilary Botti, Ann McBride, Lauren Ammer, Hailey Westbrook

School Size: 247

School Safety:

- Flood update: Damage / Repairs. Repairs to the levy are being made by Moser and the school worked with JOCO to apply for FEMA funds. Insurance is covering costs as well. Most repairs made so far are temporary and they are planning a permanent repair/remodel this summer that will include new flooring, drywall, furniture replacement.
- Seismic update: Moving forward but timeline has shifted and most will be completed next summer.
- The sidewalk and Parent Pick up area has been concreted and looks amazing.

Title I:

- Parent Teacher Conferences April 10th and 11th

Parent Involvement

- PTO Balance is currently \$15, 948
- Suggestion of PTO doing a weekly or monthly PTO newsletter and/or getting a social media page. Some feedback suggests they are missing announcements because there are so many posts from school, PTO, district, etc.
- BINGO night recap - Turnout was 3 to 4 times more than last year. Possible reasons - it could be having it on Wednesday (as opposed to Thursday when people may already be getting into weekend plans), showing prizes ahead of time, or that word of mouth is growing. Ideas for next year were shared.
- May PTO board elections will be held May1
- Glow Dance Party April 24th
- Teacher Appreciations May 5th - 8th

Community Involvement

- We will be recognizing the four firefighters that helped to save FV during the flood at the next board meeting April 16th @ 4pm @ HVHS. These firefighters worked to sand bag the entrances to the building and classrooms.

- Community Garage Sale - June 7th. People rent a space and bring their own stuff to sell and keep the proceeds OR they could donate gently used items for the PTO sale. PTO will serve concessions.

Instruction

- April 10th - Kick off to Testing Parade. Kinder - 2nd grade will be lining up around the school holding signs and encouraging students to do their best as 3rd - 5th grade students walk through
- CLKA adoption will go before the board April 16th

Culture

- Core Values - The end of April we will have an assembly for the "O" in HERO (Open Minded).
