Graduation Feedback

How did we arrive here?

2024 Graduation Challenges:

Ticketing Crowd noise and behavior Bottlenecks when entering and exiting Sound system and venue acoustics Accessibility Translation services accessibility

Survey Results

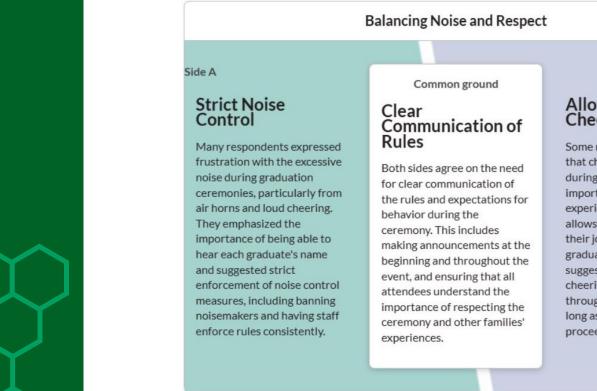

Family Survey Results Themes:

- Preference for limited number of tickets per family (62% agree)
- Concerns about crowd noise (74% somewhat or very concerned)
- Strong support for implementing noise control measures (79% agree or strongly agree)
 - Clear communication of expectations before the event (80%)
 - Presence of more security/staff (66%)
 - Strict enforcement of noise rules (57%)
 - Designated cheering times (59%)

Synthesis of long answer responses from family survey:

Side B

Allow Celebratory Cheering

Some respondents believe that cheering and celebrating during the ceremony is an important part of the experience. They argue that it allows families to express their joy and support for their graduates. These respondents suggest designated times for cheering or allowing it throughout the ceremony, as long as it does not disrupt the proceedings.

Parent Focus Group Work:

- Take a deeper dive into survey results considering all perspectives and listening to each other
- Identify pros and cons of all potential decisions
- Make final recommendations

Parent Focus Group Recommendations:

- Stay with Mariucci Arena
- Continue to require tickets
 - No more than 10 per family
 - Improve ticket collection process at the gate
- Work with Mariucci to see what enhancements can be made regarding sound quality

Parent Focus Group Recommendations:

- Implement crowd control measures
 - Clear expectations communicated up front
 - Expectations coming from leadership as well as from students
 - Communication of expectations early and ongoing
 - Designated cheer times
 - Issue warnings and reminders
 - Have security/staff monitoring audience

Parent Focus Group Recommendations:

- Hire more staff to help expedite the entry and exit of guests
- More communication about ADA accessibility within the venue
- Move translation device check-out from the lobby to the concourse where it will be easier to locate
- Keep visitors from congregating in the concourse area during the ceremony

What we already knew:

- Edina families care a great deal about the graduation ceremony.
- Families want a meaningful, respectful, and accessible graduation ceremony.

What we have learned:

• We share more commonalities than differences about our wishes for the graduation experience.

Budget Implications:

- Additional Security Staff
 - 12 additional security staff
 - Cost: \$3200
- Additional Ticketing Staff
 - 4 additional ticketing staff
 - Cost: \$640

Next Steps:

- A first communication has gone out to all families.
- More communications coming focused on:
 - Event details
 - Crowd expectations
 - Senior meeting
 - Cap and gown distribution
 - Parking and venue information
- Meeting w/ Mariucci about enhancements to sound quality and traffic flow.
- Work with seniors to develop messaging about graduation expectations.
