Principal's General Narrative:

Our spring semester is getting busier by the day. Extracurricular activities both athletic and academic are going well and our coaches, sponsors, and students are representing the school well as always.

Mrs. Hobbs and the calendar committee have presented the faculty with three options after a considerable amount of input and discussion. The faculty will make their preference known in the next couple of days. Mrs. Hobbs has done a good job in providing information and putting together some options for us and deserves a lot of thanks from all.

Students participated in a UIL Academic meet in Sonora- 2/3/12
