Re: Energy Conservation Campus of the Month

Inspections are conducted on a daily/weekly basis in an effort to minimize energy loss throughout the district. An energy saving initiative has been established with a month to month comparison of energy conserved from the fiscal year of 2015-2016 vs the fiscal year of 2016-2017 for the highest percentage rating on energy conserved.

Early Childhood Center showed the highest energy conservation savings for the month of September. Thanks to the routines and procedures from Early Childhood Center, they have displayed an outstanding job performance that has earned them a 24% overall savings. We congratulate Mrs. Sandoval and her staff for a job well done.

"Together we can all make a difference in our Community".

Thank You
