3. Modifications to the Agenda
None

4. Approve Minutes from the Last Meeting
Motion by Keyser, second by Sage to approve the minutes of the May 13, 2024 meeting.

5. Early Childhood Program Proposal
A proposal was brought forth from an early childhood diagnostician to opt for Mondays-Thursdays, with Fridays without students for completion of IEPs, paperwork, and home visits.

It would be 2.5 hours per week that the families would need additional childcare. Plus, students with IEPs would receive 2.5 hours less instructional time. Other districts that run a Monday-Thursday schedule do not have an early childhood diagnostician, while WAWM does have a person.

A change in the early childhood program would not be feasible until after the 2024-2025 school year. Would need DPI approval. We will continue with the current program as it is.
