

BHS Graduation 2020

Graduation and all the festivities leading up to, are time honored traditions for all Seniors; a rite of passage into adulthood. Students would be gearing up for awards banquets, induction ceremonies, finishing exams, sporting events, music festivals, making memories with friends, and saying their goodbyes to staff. However the COVID-19 Pandemic has put some roadblocks as to how we will accomplish these events for our students.

We are meeting with Administration, BPS School Board officials, and the Blackfeet Tribe Unified Incident Command to make plans and decisions that protect not only our students, and staff, but our entire community. Since the Blackfeet Tribe has enacted Resolution 181-2020 Ordinance 121, we are working to follow and provide meaningful events virtually for all students, parents and community.

Graduation is **Tuesday, May 26, 2020 @11am** with a parade around the BHS involving ***only staff, graduates and their immediate families***. This monumental event will be broadcasted over the radio station (KBWG), Cable TV, and Facebook. There will be a jumbotron screen for the community to view, location will be revealed before graduation. We want our community to be able to witness this special moment.

Per the Blackfeet Tribe's Ordinance, BHS does not encourage non-residents or out of state visitors to visit the Blackfeet Reservation for graduation. We are also asking you to follow social distancing guidelines set forth by the tribe and state; making sure each person in the vehicle has masks and gloves.

The map is attached.
