A. Discussion Items

1. Review Budget and Discuss Scholarship Offerings

The committee reviewed a brief history of the award program.

Current revenues of \$6,535 and expenditures of \$5,938 were reviewed, leaving the program with a \$597 surplus. That balance will be used to pay for senior ceremony programs in May, essentially breaking even for this year. Additional funds are anticipated from a parking agreement or corporate card rebate funds to allow purchasing awards over the summer for next year's program prior to the receipt of donations.

The committee discussed Board scholarships and is planning to offer the same opportunities as last year totaling \$3,000.

- Ambassador High School: \$750*
- Outstanding Service: \$750*
- Vocational/Technical: \$500*
- Arts and Literature: \$500*
- Ambassador Learning Options: \$500*

The committee also discussed developing additional fundraising opportunities such as events and online payment methods. This will be discussed further at a future meeting.
