Re: Results and Recommendation for Land Sale - Multiple Properties

I would like to present and discuss the results of the district's Request for Proposals (RFPs) for the sale of several properties the district owns, at the next Committee of the Whole meeting on Monday, July 24, 2017.

As you know, the district publicly solicited RFPs, which were due the end of May 2017, for the properties commonly known as Old Perrinville, Nankin Mills, Western Wayne (Ford) Skill Center, and Clay. I would like the opportunity to update the Board on those results, give a recommendation, and allow them the opportunity to ask questions and discuss the results and recommendation among themselves.

Please include this item on the agenda. Thank you.
