

**Community Education Department
Program Report
April 2019**

- Ms. Bolton has been working Thornton Fractional South on their Parent Empowerment Summit for Saturday April 13th at T.F. South from 8:30-1:00pm. This workshop will be expressing the importance of understanding trauma and social media. Seats are still available.
- The Community Education Department will be attending the area round table with South Suburban College Adult and Community Education program on May 3rd from 2:30pm-4:00pm. This program helps the members address issues that might be area of need for the local communities, such as G.E.D preparedness, ESL and Continuing Education.
- Ms. Bolton has been working with our local area Girl Scouts to provide an opportunity to have a GS troop at each school. Ms. Mayse, Assistant Principal, is working with her parents and staff at Angelou School to be the flag-ship troop site. We are looking for other schools and parent volunteers to work with troops.
- Please LIKE and visit our Facebook page for information on events and activities for the students and families.
