SB1452:**ARIZONA EMPOWERMENT SCHOLARSHIPS ACCOUNTS; REVISIONS**

Numerous changes to statutes relating to Arizona Empowerment Scholarship Accounts (ESAs). The definition of "qualified student" is expanded to include a child who receives federal Title I services for low-income students under the federal Every Student Succeeds Act or a child who receives free or reduced-price lunches under the National School Lunch and Child Nutrition Acts. The prohibition on a student accepting a scholarship from a school tuition organization concurrently with an ESA for the qualified student in the same year applies only before grade nine or in any year if the combined scholarship awards exceed the total per pupil spending of the public school district in which the student resides. Expands the list of qualified expenses that ESA monies may be used for to include public transportation services in Arizona, including a commuter pass for the qualified student, or commercial transportation service between the qualified student's residence and a qualified school in which the qualified student is enrolled.
