Instructional Materials

Last Revised 8/13/2019

The Unity Board of Education is legally responsible for all matters relating to the operation of the school district. The responsibility for the selection of instructional materials, however, is delegated to the professionally trained, certified personnel of the district. Therefore, the Unity Board of Education establishes the following policy.

Selection of materials should involve instructional media specialists, principals, teachers, students, administrators, and community persons. The selection and purchase **recommendation** of materials ~~will~~ **shall** be the responsibility of the certified personnel and building principal. ~~(Also, see IIA)~~

The selection and purchase **recommendation** of media center materials ~~will~~ **shall** be the responsibility of the certified library/media personnel. Specific selection procedures should be developed for use in the District. ~~(Also, see IIA)~~

The final approval of instructional materials is the responsibility of the ~~superintendent~~ **District Administrator**.

The Unity School District shall not discriminate in the selection of evaluation of instructional and library materials on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability. Discrimination complaints shall be processed in accordance with established procedures.
