RE: Boyne District Library - Lending Machine Donation

Boyne City High School has received a donation of a Library “Lending Machine”, which would be stationed in the commons area of Boyne City High School to provide easy access to books for staff, students, and the community. This donation will strengthen our already positive relationship with the library and is made possible by Monica Peck of the Boyne District Library, the Herrick Foundation, and Friends of the Library. This “Lending Machine” will hold 228 books and will also allow direct access to the entire collection at the library by simply swiping your library card. I would like to recommend that the Board of Education accept this donation.

Yours in Education,

Adam Stefanski, High School Principal
