Dear Foley Public Schools,

Please accept this letter as formal notification of my resignation from my Educational Assistant position, effective at the start of 2025-2026 school year. My last day of employment will be August 22, 2025

It has been an honor and a privilege to serve Foley Public Schools for the past ten years. I am incredibly grateful for the opportunities and professional growth experiences I've gained during my time here. I have truly valued the learning experiences and the relationships I've built with colleagues, students, and families.

I have accepted a new teaching position elsewhere that represents an exciting next chapter in my career. While I am eager for this new adventure, I am also sad to be leaving a community that has been so integral to my professional journey.

Thank you again for an enriching decade at Foley Public Schools. I wish the district continued success.

Sincerely,

Sarah Sauer
