The Association of Illinois Rural and Small Schools

Good morning AIRSS members,

The Association of Illinois Rural and Small Schools is excited to welcome John Glasgow to our work. John is joining AIRSS as the Career Technical Education Grant Program Director. In this role, he will be working with the Seymour Center for Rural Education at Western Illinois University as well as AIRSS' school

partners to conduct a state-wide investigation into the status, needs, and accomplishments of rural CTE programs. He will also work with them to create rural CTE support mechanisms. [We encourage you to learn more about John's background and interest in this work on our website.](#)

Always advocating for you,

Dave Ardrey
