April 2022

**Spring has sprung!
Sing a little song, jump in a
puddle, smile at someone, you
never know whose day you
can brighten.**

To all the FTV Students,
Parents, and Staff:

Thanks so much for your
purchases at the Fort Vannoy
Book Fair!

Even though we had to
shorten our book fair, it was
a huge success.

I hope everyone is enjoying
their new books and supplies.
Students, keep your eyes
open for the new books we'll
be purchasing.

Thank you for choosing our
Book Fair, and for your
generosity!

Sincerely,

Samantha Beairsto

*A= Because you stop looking
when you find it !! hahahaha*

Be the Good you want others to be.

Reminder to take advantage of reading with your kids! If you read together for 20 minutes a day, 7 days a week, you get more than 121 hours of bonding time with your kids every year. It helps develop their vocabulary, increases focus, and greatly aids their emotional development. Let them pick a story, and work it into your evening routine- you'll be glad you did.

Josh Standley - TRSD Teacher of the Month

Congratulations to Josh Standley, TRSD Teacher of the Month! In addition to being a great teacher, Josh is a leader at Ft. Vannoy and the District. He helped reorganize the District Science Fair, increasing participation and access for students and families. Josh has worked in the POINT program to mentor teachers and facilitate learning from one another. He focuses on building relationships with students and preparing them to be successful in middle school. Josh has a high level of engagement in his classroom, finding creative ways for students to be excited about each lesson. Thank you Mr. Standley for being awesome!

Spring Break

We hope that ALL our Fort Vannoy Families had a wonderful Spring Break. We as a staff are rested and looking forward to what the end of this school year holds.

Remember, you may email your teacher with any questions you might have. To find their email, you may look on our Website (Three Rivers School District), or call our office at 541-479-4440.

Fort Vannoy fielded two Destination Imagination teams this year. DI is a team-based creative problem-solving activity. Teams work for several months on a long-term Challenge. They also learn quick-thinking skills to solve Instant Challenges. Miss Evans' team solved a scientific Challenge called *Up Close* and Mr. Kriz's team solved an improvisational Challenge called *Festival Frenzy*. Both teams took first place in the elementary division at the Oregon Destination Imagination State Tournament on April 2nd. Team members are:
