Dear Distinguished Members of the Board,

The purpose of this letter is to express my gratitude for all that you do for our students, communities, and families. Your dedication and commitment to seeing students succeed is appreciated and evident in the everyday lives of our students and communities.

Building off of that sentiment, I also wanted to express my thankfulness for Kacy Lou Leyba for our continued Itinerant Student Support Service position. Kacy Lou Leyba has been a staple for the district since my time here. She is warm, welcoming, and builds relationships quickly and continuously advocates for students, staff, communities, and all stakeholders.

I would hope to see her continue in this position in the hopes to continue to provide the support for our communities. I can not speak for other sites than the three that I have had the privilege of serving. For Chignik Lake, Chignik Lagoon, and Perryville our students are quiet, smart, intelligent, and full of creativity. It is through the continuity that Kacy Lou Leyba has built over the years, that has given our students a way to speak and be heard. They often don't want to speak up, especially if you are new or unfamiliar. Continuing with Kacy Lou can provide a familiarity and safety for our students, families, and communities.

I hope you can consider holding onto her for this position.

Please feel free to reach out with any questions or comments.

Thank you for all you do,
