Re: 2016-17 Financial Statements

We would like to review with the Board of Education the 2016-2017 financial statements at the Board of Education Finance Committee meeting on Monday, October 9, 2017.

I will bring a final version of the financial statements to the meeting, go over some of the highlights and answer questions that the Board may have. Representatives from the school district's auditing firm, Plante Moran, will be in attendance to discuss the financial statements in detail.

Please contact me if you have any questions.
