Re: Update the 2022-2023 Student Code of Conduct

The Student Code of Conduct is the District's response to the requirements of Chapter 37 of the Texas Education Code as it pertains to all aspects of student behavior management. There are no formal legal updates from TASB this year due to their being no Texas Legislative session. The minor changes recommended include the date to reflect the 2022-2023 school year and a staff member's contact information. The Board was given the draft of proposed changes to review prior to tonight's meeting.

RECOMMENDATION: The Board adopt the 2022-2023 Student Code of Conduct as recommended.
