Subject: JP's Decision - Food fight

FYI,

The seven students were found guilty of disorderly conduct by Justice of

the Peace Hall. They were fined \$148.25 each. The breakdown of fine:  
\$62 Court Costs, \$38 Fine, \$48.25 Restitution paid to BISD. The restitution

to BISD must be paid by each of the students. The option of doing 16  
hrs. of community service was given in lieu of the court costs and fine. Parents were given the option of helping their child  
do the community service or having the child do it all themselves. Community service was

to be coordinated with Albert Payne and could be done after school or on

Saturdays

Thank you for your help in dealing with this incident when it occurred.
