

PRIVILEGED AND CONFIDENTIAL ATTORNEY-CLIENT COMMUNICATION

MEMORANDUM

TO: Randy Shaver
FROM: Kelly Stimpson, J.D.
RE: Board Policies for September 28, 2010
DATE: September 19, 2010

Dr. Shaver:

I propose the following policy revisions for the upcoming Board meeting:

ADD SAFE SCHOOLS

This policy incorporates and eliminates ADDA, which is not an NEPN recognized policy. The exhibit to ADD is the certificate of compliance document for NCLB.

BBA BOARD POWERS AND RESPONSIBILITIES

This policy is updated to include several paragraphs added by the legislature.

BBA BOARD MEMBER AUTHORITY AND RESPONSIBILITIES

No substantive changes – primarily format changes.

GCCA LICENSED STAFF LEAVES AND ABSENCES

The proposal changes from 30 to 3 the number of extra days following exhaustion of leave to return to work.

JFAA ADMISSION OF RESIDENT STUDENTS

The changes proposed are intended to make the policy easier to follow.

JFAB ADMISSION OF NONRESIDENT STUDENTS

Add more clear policy for Board and separates procedure from policy.

JFABA NONRESIDENT TUITION CHARGES

Eliminates JFABA-E. Eliminate provision for enrolling nonresident students without Board approval.

I will ask that Patrice forward these policies to the Board upon your approval.
