Dr. Karen Gray  
Parkrose School District  
Portland, Oregon

Dear Dr. Gray,

I am writing to inform you and my colleagues on the school board of my regretful but necessary decision to resign from my elected position as a director for the Parkrose School District. As I have mentioned to you previously, the health of my immediate family and extended family has created time demands that do not afford my continued participation as an elected official.

I will attend business meetings for January and February of 2016. My final meeting will be on February 22nd, 2016.

I appreciate your diligence, intellect and vision for the district. I wish you continued success in the development of our community children.

Kind Regards,
