The staff shall intervene whenever students use alcohol and other drugs while on school property and under school jurisdiction.

Staff members who believe that a student may be under the influence of alcohol or drugs shall immediately notify the principal or designee.

The principal or designee may refer students and their families to services that deal with alcohol and drug problems.

In severe cases, if the parents/guardians are not immediately available, the principal is authorized to call an ambulance to remove the student to a hospital. Parents/guardians will be notified of this action and shall be responsible for the incurred expenses.
