

NONDISCRIMINATION BASED ON GENETIC  
INFORMATION OF THE EMPLOYEE

~~The Board of Education does not discriminate against any employee or applicant for employment with respect to hiring, compensation, terms, conditions, or privileges of employment based on genetic information. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Retaliation against an applicant or employee for engaging in protected activity is prohibited.~~

~~The Board shall only acquire and/or disclose genetic information of an employee or applicant for employment as provided by Federal law and regulation.~~

~~The Superintendent shall appoint a compliance officer whose responsibility it will be to ensure that Federal regulations are complied with and that any inquires or complaints are dealt with promptly in accordance with law. S/He shall also ensure that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members.~~

The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Act (GINA), the Board shall not request, require or purchase genetic information of employees, their family members or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.
