

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: January 18, 2022

AGENDA ITEM: Consider Approval of Purchase of Playground Equipment for New Vandagriff Elementary School

PRESENTER: Earl Husfeld, Chief Financial Officer and Tyler Boswell, Director of Construction and Facilities

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- As you are aware, conversion of McAnally Intermediate School into the New Vandagriff Elementary School was included within the District's 2019 Bond Program.
- Included within this project cost were funds allocated for the purchase of materials and equipment to outfit this building to the same standard as the District's other elementary schools.
- As we discussed during the December 13, 2021 board meeting, district staff have undertaken the process of discussing and evaluating the playground equipment options for the two (2) playground areas at New Vandagriff Elementary School.
- For your review, the following pages provide a detailed overview of the playground equipment being recommended for New Vandagriff Elementary School.
- The playground equipment recommended to you this evening is very similar to that purchased for Annetta Elementary School and incorporates a variety of "stations" that are accessible for all students.
- To ensure the best pricing and value, the District utilized the TASB BuyBoard purchasing cooperative to obtain this quote from Lea Park & Play, Inc.

FISCAL INFORMATION:

The total amount of \$233,987.59 will be paid with 2019 bond funds allocated for New Vandagriff Elementary School.
