RE: **Recommendation for Award  
Franklin H.S. Gymnasium Improvements  
GWA Project No. 6746**

Dear Mr. Hosman,

We have completed the review of the bids received on March 7<sup>th</sup>, 2011 for the Gymnasium Improvement Project, and make recommendations for award of contracts per the attached schedule. The Proposals as bid are within the project budget. We recommend awarding to the low bidders with complete bid scope with the following clarifications:

Proposal A – Selective Demolition: American Restoration Services had an error in their bid and asked that their bid not be considered. Blue Star, Inc of Warren has complete bid scope thus making them the low responsive bidder and therefore we recommend award of contract to them.

Proposal H – Painting: Best Commercial Painting had an error in their bid and asked that their bid not be considered. Alpha and Omega Painting of Wayne has complete bid scope thus making them the low responsive bidder and therefore we recommend award of contract to them.

Enclosed are the bid tabulation sheets and a copy of the complete bid recommendation summary. If you have any questions, please do not hesitate to contact me.

Very truly yours,
