Extended School Day Report

Purpose of Report

The purpose of this report is to provide an update on the extended school day (ESD) program for the 2014-15 school year.

Objectives

- Discuss and provide an update on the ESD program and the student enrollment at the campuses (see attachments)
- Provide information on the ESD wait list at the various elementary schools and scholarship/payment arrangement information for the extended school day program (see attachments)
- Provide information on the ESD fees (see attachments)
- Discuss and provide an update on the ESD online registration process (see attachments)
- Provide information on the ESD program community involvement activities (see attachments)

Operational Impact

None

Results

This report is to provide information on the district's extended school day program and how we are meeting the needs of the families in our district. This report is also to share our future program plans for the extended school day program (see attachments).

Other Options

At this time, ESD provides the only option for after school support for families provided through the district. Alternatively, families may pursue private options for after school support for their children.
