## Regular attendance may have the greatest impact on your child's academic success.

◆ Evergreen recognizes that there are always things that come up during the school year that prevent perfect attendance. With that said; shouldn't perfect attendance be the goal for all of us? I've seen so many students realize this achievement throughout the years and I believe that, in many situations, perfect attendance is a choice. That is not to say that we want a genuinely sick child here at school; we want sick students to stay home and get better. Our school wide attendance would be excellent every year if we just counted students who stayed home to deal with an illness. The teachers at Evergreen are so incredibly dynamic and thoughtful about their instruction, when a student misses a day it cannot be made up in equal fashion by doing makeup work. The instruction is the key to acquiring knowledge. The assignments that follow are typically practice and mastery of that knowledge. There is no substitute for getting instruction first hand.

## Get involved!

- ◆ Evergreen PTA (Parent Teacher Association) is, once again looking to boost membership. Our PTA is an awesome group that is totally dedicated to making Evergreen an even better place for all of our students. I know that many people consider joining PTA, but are fearful of the commitment. Here it is (coming from a guy); don't be afraid of commitment! The more parents we have involved the more we can share the load and the more we get done for our kids! Call the EV office for details on meeting times and how to get involved.

## **Many Thanks**

A big **THANK YOU** to **Shop Smart** for donating water and paper supplies for the Student Of the Month, and Math Masters lunches for the entire year! ## **CHANGING AFTER SCHOOL PLANS FOR YOUR CHILD!!**

All phone calls and notes pertaining to changing your child's after school plans are to be directed to **Billie (who sets up the bus schedules and write the passes for changes)** in the front office at the beginning of the day. Remember that you may also fax (541-592-3136) or email notes to Billie ([billie.patton@threerivers.k12.or.us](mailto:billie.patton@threerivers.k12.or.us)) as well. Billie **does** respond to all emails from parents. Yes, there are times that the email system is not functioning so if you do not receive a reply to your email – it may be that the computers are down.

### **Evergreen's policy is:**

- **WE DO NOT ACCEPT PHONE CALLS FOR CHANGES IN AFTER SCHOOL PLANS EXCEPT IN CASES OF TRUE EMERGENCIES!**
- **All notes should have the STUDENT'S FULL NAME, teacher name, parent signature and exact instructions of what your child will do. Phone calls should only be made to the office to change plans in case of EMERGENCY!**
- **If your child is going home with a friend – both kids need to bring a note.**
- **It is very busy at the end of the day in the office – so if you are in the position of HAVING to call, the call needs to come in BEFORE 1:00 pm. Notes from the office go out at 1:15 pm and after that it is a disruption for the entire class to continue to call students down to the office receive end of the day notes.**

Thank you for your cooperation in this VERY important matter. Billie

#### **Child Find for Special Education**

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.
