2022 TASB Grassroots Meetings

Grassroots Meetings are held in each region. All Texas trustees are invited to attend — either in person or remotely. However, you must attend in person to be elected as the Legislative Advisory Council representative for your region.

The meetings are free and include continuing education credit. In-person attendees will enjoy a dinner provided at no cost.

New this year: The TASB Risk Management Fund will hold a drawing at each regional meeting for a \$500 student scholarship. In-person attendees who are members of the Fund will be eligible for a chance to win this prize for their districts.
