**SUGGESTED SCHOOL BOARD ACTION:**

Approval of Recommendation

**DESCRIPTION:**

ISD #877 and Buffalo High School have received formal requests for cooperative agreements in the following sports from the following high schools:

Annandale High School – Boys and Girls Hockey  
West Lutheran High School- Girls Hockey

MSHSL Cooperative agreement paperwork identifies a 2 year commitment.

After evaluation regarding history of cooperative agreements and the circumstances surrounding both requests, I feel confident in recommending that the ISD #877 Board of Education approve and move forward with paperwork to accept both cooperative agreements at this time.
