SAMUEL W. HOUSTON ELEMENTARY

Building Champions by ensuring ALL students reach high levels of learning academically, behaviorally, and socially.

THE PRINCIPAL'S ADDRESS

Greetings from Samuel Walker Houston Elementary!

We are almost at the end of the 2023-24 school year and what a year it has been! Ms. Santiago and her testing team made sure that SWHE students were set up and provided everything they needed to be successful on STAAR testing. We also hosted a second Book Fair and family night for students and families to come enjoy some Blue Bell ice cream and have the opportunity to shop the Book Fair. Our teachers and students have benefited from the continued support of the Solution Tree coaching they have received this Spring and we look forward to carrying what we have learned into next school year. We are excited to end the year with our students by celebrating them at grade level awards ceremonies which we will host next week at SWHE. Our Specials Team is planning some fun events for our students on the campus Field Day which will take place on May 21st. So as we prepare to close this school year out and enjoy the summer break, we are also excited to begin the work of preparing to start a new school year. Students are working hard finishing their end of year i-Ready diagnostic screening which our teachers will use at the beginning of the 2024-25 school year to plan for the instructional needs of their students. We are excited and look forward to continuing the journey of becoming the elementary campus of choice in Huntsville ISD.

OUR 3RD AND 4TH GRADE STUDENTS ENJOYING AN ENCOURAGING VISIT FROM THE HHS S.O.A.P. SQUAD BEFORE STAAR TESTING BEGAN.

Keep Stinging 'Em Hornets!

SWHE-BUILDING CHAMPIONS

CELEBRATING GREATNESS
